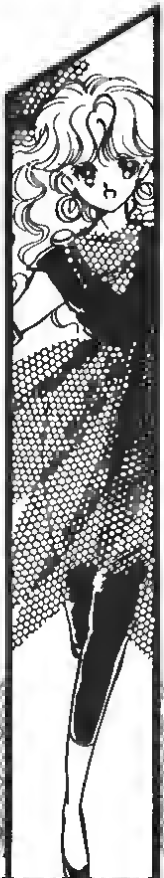
THE ACT OF THE MOVIE'S STAR.....136



Yoshino Yukimichi (aka Katsuragi)
He helps Hime in uncovering the mystery with his computer.

Yagyu Shusei
He's a cameraman who helps Hime fight the Snake Organization. His nickname is 1300.

Snake Organization's "Hime"
The Snake Organization's leader and Yagyu's lover. Her face is similar to Hime's.

Himiko
The real leader of the Snake Organization. "Hime" is only her puppet.

Murata-sensei
He is Hime's homeroom teacher. He always follows the Snake's commands.

The Snake Organization's trap to capture Hime was really sneaky. By pretending to give out information about the Snake Organization, Yamanami successfully lured Hime to a quiet place, where his ally was ready to capture Hime. What'll happen to Hime next?

Nishikion Hime
A "super" girl from Hokkaido who came to Tokyo to investigate the mystery behind her father's murder.

WE WERE MARRIED IN A PRIVATE CEREMONY; JUST THE TWO OF US.

SO YOU HAD SOMEONE ELSE CARRY THE BABY?

It's a lie! Why would she do that!
She was a good person!

LUCKILY, NISHIKIORI'S SPERM WAS STILL KEPT IN THE FROZEN TUBE

SO, WHO'S THE CURRENT HIME AT ONMYOUJI SEKAI NOW?
